

# LET LOVE REFLECT IN ALL WE DO

When Christmas comes my dearest friends  
Present a gift that never ends,  
A gift that everyone can give  
That blesses all where e'er we live.

The gift of love shines from within  
But is of God, and free from sin.  
So when the wise men saw the Star,  
They felt God's Love, they travelled far!

And on arrival saw the sight  
Of baby Jesus and God's might;  
For Love was shown in this pure birth -  
A love that changed our view of earth.

The message of that little boy -  
To make all lives resound with joy:  
Happiness is made from sharing,  
Helping others, truly caring.

So Jesus lived to prove just how  
*We* should love, to do so now.  
No need to wait. Make this be true:  
**LET LOVE REFLECT IN ALL WE DO.**
