# AWAKE! REALITY IS ALL THAT'S TRUE!

In my dream I was flying, - soaring o'er houses, fields.
I was in my motorcar, sunroof open, free, just like a bird.
I sped past a pterodactyl large wings flapping lazily,
Accelerated and flashed round the moon quite crazily!
A hundred thousand miles I must have flown:
New horizons skimmed and strangely known!
It was very real while quite absurd.
***But when I awoke, no news to you,***
***It simply wasn't ever true!***

In my dream I was sick and diseased, suffering long.
I was in this body, a material shell of strange substance.
It responded to my thought, the fear of age,
That wrapped me round just like a cage.
Mortal belief it took control
And told me I was far from whole.
It led me quite a merry dance.
***But when I awoke, no news to you,***
***It simply wasn't ever true!***

In my dream I was sinning, I knew I was doing wrong:
Beelzebub had led me there, and that was my defence.
It enticed other people, whether they knew or not,
I didn't care, for sin fulfilled my selfish plot.
I felt that somehow in the main
That by this sinning I could gain.
So, at the time it made great sense.
***But when I awoke, no news to you,***
***It simply wasn't ever true!***

**And now awake, wide-eyed, alert, I know myself immortal.**
**The dream not me! Great freedom feel, - I am what God does give!**
**Pursue the good! Hold fast the true! They can never fade,**
**For everything is perfect and stamped: "In Heaven Made."**
**There's laughter, joy, and Love all round,**
**As perfect life secures good ground.**
**I know this fact: in Love I live!**
***And wide-awake, no news to you,***
***Reality is all that's true!***

Gen 1:27 God created man
God created man in his own image, in the image of God created he him; male and female created he them.
Gen 2:21 (to :)
And the Lord God caused a deep sleep to fall upon Adam, and he slept:
Rom 13:11 now it
now it is high time to awake out of sleep: for now is our salvation nearer than when we believed.
Matthew 5:48
Be ye therefore perfect, even as your Father which is in heaven is perfect.
