GOD IS COMPLETE, INFINITY.

Matthew 14:22-32

The wind whipped up and waves were high
Ragged clouds covered up the sky,
The storm raged loud and was so strong,
Our boat so battered, would not last long!
We felt alone in deep black hole,
In frightened fear we'd lost control!

Then Jesus came, some-how afloat,
Walking on water towards our boat!
He wasn't caught by this fierce storm,
For peace and quiet was his norm!
How could he walk upon this sea?
What did he know that kept him free?

Was this a spirit, untouched by matter?
Walking through such constant clatter?
His words **"Fear not, for it is I"**
Reached out across this furious sky.
Peter called out: "If this be true,
Bid me come and walk with you!"

" The Christ is here, all dreams of error breaking, Unloosing bonds of all captivity."

"Come." the words divinely spoken, -
All the laws of matter broken!
For *Peter* walked upon the sea,
Towards the Lord; his face such glee!
But thunder sounded, made him scared,
Looked down, he sank, fresh fear declared!

"O dreamer, leave thy dreams for joyful waking"

"O captive rise and sing, for thou art free"

At once the Lord was by his arm
And held him up, there was no harm!
Two of them standing there afloat,
Next moment here upon the boat!
Jesus looked up, said **"PEACE, BE STILL",**
We felt God's Love embrace us all.

"O captive, rise, thy Saviour comes to thee."

And in that *instant* calm returned:
The threat we had, ***completely*** spurned!
Our faith was questioned by the Lord:
To him to fear was quite absurd!
He always knew what we now know:
"Thy kingdom come", true words that glow!! ...

"The glorious tidings of salvation bringing"

The storm seemed real, we'd felt its force,
But **GOD IS ALL**, - the only source!
It does not matter what you think:
With God at hand, you cannot sink!
The essence of Divinity:
GOD IS COMPLETE, INFINITY!*
